GIVE US FINANCIAL BAILOUT BEFORE VOTING ON 7TH DECEMBER

Coalition of Aggrieved Customers of Menzgold is calling on His Excellency Nana Addo Dankwa Akufo Addo, the President of the Republic and the Minister of Finance to give us a financial bail out with just an amount of Ghc200 million only to help save members from further deaths. So far not less than 230 customers have died as compared to less than 100 deaths when we first made the call for a bail out in 2020. The assurance with our instance request is that all seized assets of MenzGold can serve as a form of guarantee.

We are fully aware of the criminal case in the Court. As Customers, we have cooperated fully with the Office of the Attorney General.

Bail us out with Ghc 200 million which can be retrieved later when the court case is finally disposed of. The President and Minister of Finance should please give us a response by closed of work Monday 25th November 2024. Either a bail out or a vote out
