**Notice of Cessation of Board Membership of Statutory Boards, Corporations,
Commissions and Councils Following Presidential Transition**

In accordance with the Presidential (Transition) Act, 2012 (Act 845), all members of statutory boards corporations, commissions and councils appointed by the former President or a former Minister of State ceased to hold office on 7th January 2025, following the assumption of office of His Excellency President John Dramani Mahama.

This serves as formal notice to all affected members.

For the avoidance of doubt, this excludes commissions that are independent constitutional creations.

In due course, the affected boards, commissions, councils and statutory corporations will be reconstituted according to their respective enabling laws.

The President takes this opportunity to thank all affected members for their service and wishes them well in their future endeavours.

The managements of these bodies are directed, until further notice, to seek clearance from the Chief of Staff before taking any major decisions.
